THE CURRENCY QUESTION.

Notwithstanding the fact that thousands of four people are at present worrying themselves at most to death over this vexed question, even to the point of suicide, let me assure them, their and homes their duty to their families, there are still thousands upon thousands of smart, hard working, intelligent men pouring into the great Arkansas Valley, the Garden of the West, where the Atchison, Topeka & Santa Fe Railroad offers them a choice of 2,500,000 acres of the finest farming lands in the world at almost their own prices. If you do not believe it, write to the undersigned, who will tell you where you can get a cheap land exploring ticket, and how, at a moderate expense, you can see for yourself and be convinced.
